

Your action can help displaced young Christians this #RedWednesday

Will you give hope to suffering young Christians?

Their faith gives them strength – but they need our help.

Your support can help to fund many urgent child focused projects including trauma counselling, education and hot meals for displaced children, as well as hygiene kits, sleeping mats and medicine for children and their families living in displacement camps.

£25

Provide a hot meal for a hungry family

Many impoverished Christian families near Zahle, Lebanon rely on the St John the Merciful Table for daily sustenance. Run by ACN's Melkite Catholic partners, it serves 1,000 hot meals daily to Syrian refugees and vulnerable locals. Volunteers offer spiritual and psychological support, and deliver meals to the elderly and disabled. **Your support helps bring Christ's mercy, dignity, and hope to struggling Christian communities in the Middle East.**

ACN's Matched Challenge

All donations and fundsraised by Christmas will be doubled in our **£500k4HOPE** matched challenge.
To get involved visit: acnuk.org/TeamRed

£50

Offer Emergency Aid

Christians in Burkina Faso are often specifically targeted by Jihadist insurgents and many families are being forced to walk up to 25 miles to reach safety.

Your support makes it possible for ACN to provide vital emergency aid and pastoral assistances to help support those in need.

£100

Offer Trauma Counselling

Militant extremists have displaced many Christian families in Nigeria and Burkina Faso, leaving children to grow up in the hardship of camp life. Many traumatised families turn to the Church for pastoral care. **Your generosity helps to share God's merciful love with our suffering brothers and sisters.**
