A prayer for the suffering faithful in Nigeria

Wondrous God of infinite mercy and love, heal and strengthen the suffering people of Nigeria's Middle Belt. Calm the raging storm of violence, destruction and hatred. Deliver them from evil!

God the Father of truth and justice, shine the light of your grace on families and restore hope. Place the shield of faith and the sword of your Spirit in the hands of those overcome by fear.

Comfort the injured and those who mourn. Transform the hearts of persecutors, politicians and survivors so they may pursue the path of peace, reconciliation and forgiveness.

Amen.
