

JESUS' MIRACLES
ARE NOT MEANT
TO BE TAKEN
LITERALLY

Being a Christian
is not all
that demanding

RELIGION SHOULD
BE A PRIVATE
THING

FREEDOM IS
DOING WHAT
YOU WANT

FAITH IS ABOUT
BEING A GOOD
PERSON
AND A BIT
SPIRITUAL

Jesus' love and
compassion meant
that he let people
do what they wanted

The disciples must
have made up the
resurrection

You don't have
to make time for
prayer - it's in your
heart

YOU HAVE TO MAKE
YOUR OWN DECISIONS.
THERE AREN'T ANY
OUTSIDE INFLUENCES
REALLY.

SCIENCE AND
RELIGION ARE
INCOMPATIBLE

Jesus is no
different to lots of
other inspirational
leaders in history

Only observation
and experimentation
can decide what
is real

There isn't really a
set right/wrong -
it's what feels
right at the time

There's no
evidence for
the resurrection

JESUS TAUGHT
US HOW TO LIVE
BUT WASN'T GOD

Jesus was just
a good moral
teacher

JESUS DIDN'T
CLAIM TO
BE GOD

SURELY I CAN BE A
CHRISTIAN
BY FOLLOWING MY
CONSCIENCE ALONE?

GOD'S LOVE
MEANS SIN
DOESN'T REALLY
MATTER

JESUS SEEMS A
BIT BORING
