

YOUR ACN BAKE SALE

Will you show your support for Religious Sisters by turning your school into an ACN Bakery?

The funds your school raises will support Sisters who teach in schools, run orphanages, nurse those who are ill and make the altar breads that we use at Mass.

We're sharing some of our ideas through these pictures, but we're excited to see what you can come up with. Be creative!

Send us some photos and we'll post them on social media. We can't wait to see what your budding bakers will produce!
