Aid to the  
Church in Need

ACN UNITED KINGDOM

Dear Friends,

St John the Baptist “prepared the Way of the Lord” and we are all called to be like him... helping to make way for Christ in our lives and thereby proclaiming him to others. As you begin to think of Christmas, please do spend a few minutes looking through this ACN brochure – for by purchasing gifts you are helping proclaim the hope of Christ around the world.

Over the last year, the faith of Christians around the world has been sorely tested. Although the bombings have subsided, the situation for families in Syria remains very difficult as they struggle to access basic essentials – food, water, clothes and medicine.

In China, Christians live continually under the shadow of State suspicion. In Pakistan, false accusations of blasphemy can lead to imprisonment and the death sentence. In Nigeria and Mindanao, Philippines extremism is on the rise and there are growing outbreaks of anti-Christian violence.

But despite threats to their safety, Christians cling to their faith. They trust in Christ – and in generous Aid to the Church in Need benefactors whose prayerful compassion and generosity is a comfort and a blessing.

Children from Hauran, Syria with their ACN Christmas parcels © Aid to the Church in Need

Our brochure brings you a host of new cards, books, music and gifts to celebrate and nurture your faith this Christmas. Your kind purchases, gifts of faith and support for our #RedWednesday campaign help bring Christ's hope and consolation to the faithful everywhere.

May God bless you.

Yours in Christ

Neville Kyrke-Smith  
UK National Director
