

HOW TO MAKE A SIMPLE PAPER STAR

You will need:

1 square piece of paper

A pair of scissors

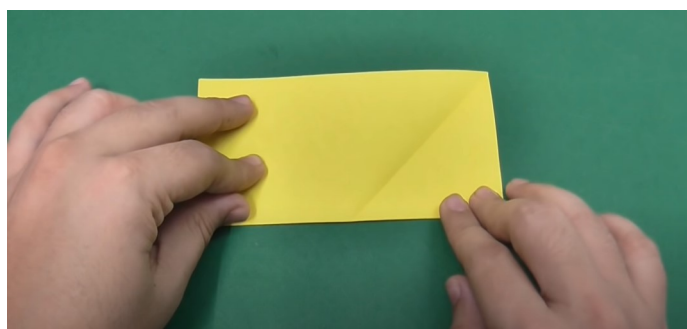

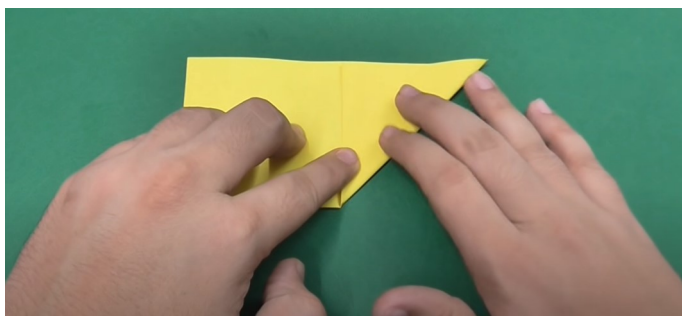

Step 1:

Fold the square of paper in half. Make sure to press down on the crease.

Step 2:

Fold the bottom right corner of the paper up towards the centre of the top of the paper, in a triangle shape.

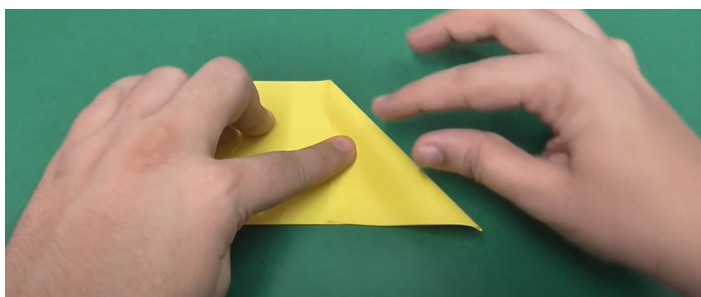

Step 3:

Unfold the triangle to reveal a line like the one pictured.

Step 4:

Fold the top right corner down towards the bottom of the paper in a triangle shape.

Step 5:

Unfold the triangle to reveal a shape like the one pictured.

Step 6:

Bring the point of the bottom left corner to the middle of the shape you have formed on the right hand side of the paper

Step 7:

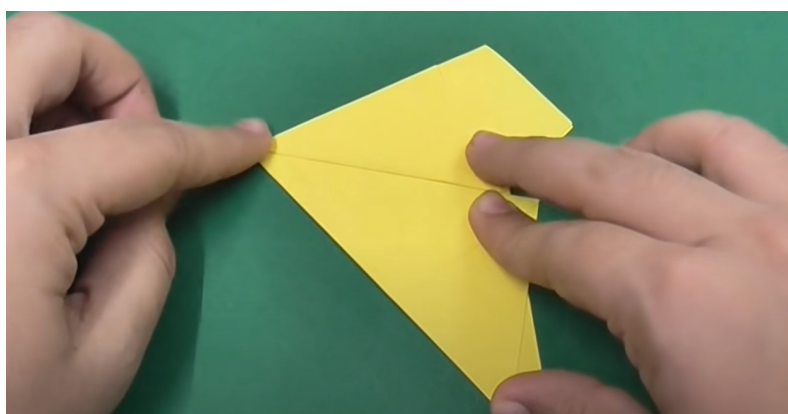

Turn the paper anti-clockwise, so it is in the same position as pictured.

Step 8:

Fold the point upwards, as pictured.

Step 9: Fold the larger portion of paper upwards in a triangle shape, so the longest line meets that of the other folded section.

Step 10:

Flip your shape onto the opposite side.

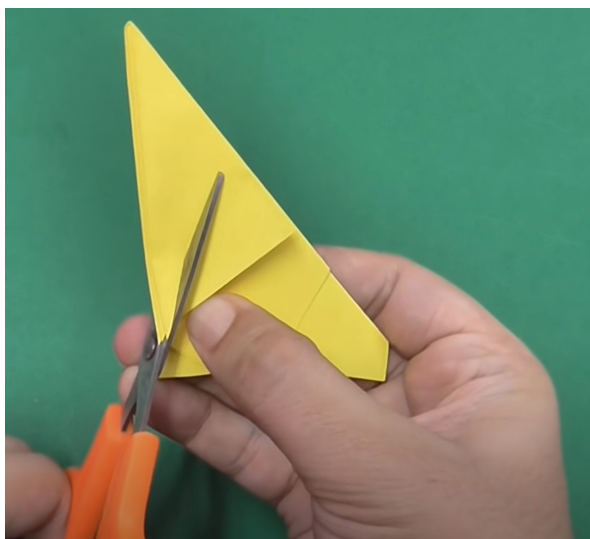

Step 11:

Fold the shorter edge up, towards the long edge, creating a triangle shape.

Step 12:

Your shape should look something like this!

Step 13:

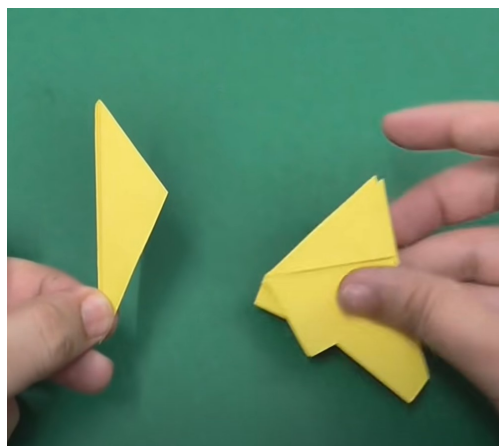

Hold your shape with the pointed end, pointing away from you. Carefully cut the section as shown in the image.

Step 14:

When cut, you should be left with a small triangle shape like this

Step 15:

Unfold your shape to reveal the star!

Step 16:

Apply a gentle crease to each of the five points of the star.

Well done!

You've created your very own paper star!
