

# GOD SPEAKS TO HIS CHILDREN

## The ACN Child's Bible Project

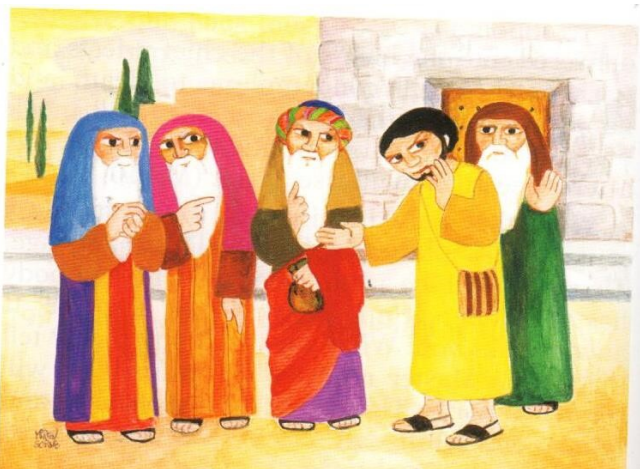

In 2020 as the Covid-19 pandemic struck and schools all over the UK switched to remote learning, the ACN Schools team decided to take on a project to bring the ACN Child's Bible to life! There are 99 videos, each with a reading of a chapter and a short reflection, and each video has a themed prayer and activity to go along with it. To find out more about *God speaks to His Children*, the ACN Child's Bible, and the Child's Bible Project, visit our Child's Bible landing page > [www.acnuk.org/resource/childs-bible-project/](http://www.acnuk.org/resource/childs-bible-project/).

We've put together a guide to help you use the Child's Bible Project throughout Lent, leading up to Easter, or even in the following days. Over the next few pages you can find links to the videos of the relevant chapters and the corresponding activities that can be done in school or at home. We hope you find these videos and activities useful as you prepare your children and pupils for Lent and the Easter season!
