## PETITION

Please sign ACN's **#RedWednesday petition**. We request that the UK Government call on their Nigerian counterparts to bring to justice those responsible for genocidal attacks such as the Pentecost Sunday 2022 massacre and countless other killings, abductions and other atrocities. The UK Government must demand the arrest and imprisonment of terrorists, the return of lands and villages, as well as compensation for the destruction of properties and livelihoods. **Please sign and share our new petition:**
