

# Help displaced young Christians #REDWEDNESDAY - 20th November 2024

Established in 2016 to raise awareness of Christian persecution worldwide, ACN's #RedWednesday is now a national and international campaign – thanks to you! With red being the colour of martyrdom and ACN's brand colour, this year schools, parishes and individuals across the country will once more be raising awareness by lighting red, wearing red or organising red-themed liturgies or fundraising.

£500K4HOPE: Displaced young Christians need you this #RedWednesday!

For children growing up in war, conflict or the threat of violence, the world is a fearful and dangerous place. In countries where Christians are persecuted, children are collateral damage – and the numbers run to millions. Their faith is their hope and strength – but they need our help.

Please show your support by offering a kind 'matched' donation at **www.justgiving.com/campaign/acnteamred**, keeping the children in your prayers and attending our events to hear first-hand testimony and to meet our ACN team!
